# WELCOME TO THE FUTURE OF MOBILITY

The Dubai World Congress for Self-Driving Transport is back for its 4th edition – bigger, bolder and more visionary than ever.

Held under the esteemed patronage of **H.H. Sheikh Hamdan bin Mohammed bin Rashid Al Maktoum, Crown Prince of Dubai, Deputy Prime Minister, Minister of Defence, and Chairman of the Executive Council of Dubai**, this dynamic two-day event – organised by Dubai's Roads & Transport Authority (RTA) is set to be the ultimate hub for innovation in autonomous technology.

Expect a power-packed conference, an exhilarating exhibition, and a prestigious awards ceremony crowning the winners of the 2025 Dubai World Challenge for Self-Driving Transport.

The Congress will unite the brightest minds and trailblazing pioneers in self-driving tech, fuelling the global revolution towards autonomy. More than just a gathering – the Dubai World Congress for Self-Driving Transport is a giant leap towards realising the ambitious vision of **His Highness Sheikh Mohammed bin Rashid Al Maktoum, Vice President and Prime Minister of the UAE and Ruler of Dubai** – where 25% of all trips in Dubai will be smart and driverless by 2030.

# CONGRESS AT A GLANCE

As the premier regional event shaping the future of autonomous transport, the Dubai World Congress for Self-Driving Transport will bring together over 600 international experts, innovators, and thought leaders for a groundbreaking exchange of ideas. This is where visionaries and pioneers will drive the conversation on cutting-edge technologies, global standards and the evolution of self-driving transport, reinforcing Dubai's position as a world leader in autonomous mobility.

The Congress features world class keynote speakers, industry-leading voices and more than 20 dynamic content sessions – delivering insights, strategies, and innovations that will define the future. Beyond the sessions, this is an unmissable opportunity to learn, network, and forge powerful partnerships with the brightest minds shaping the next era of smart transportation. The future is here – be part of it!

## The 5 Key Pillars Driving Future Mobility:

Autonomous Vehicle  
Technologies and  
Innovations

Public Trust & Human  
Adoption

AI & Infrastructure  
Technology

Governance, Policy  
& Regulations

Innovative Partnerships  
& Business Models
