About IFF

Providing Elite Academic Education and Training for Banking and Finance Professionals.

IFF is a specialist financial training organisation, part of Informa plc, that provides professional learners with expert-led technical training. Established in 1991, we design transformative learning across a range of formats and topics that allow learners to stay innovative, make informed investment decisions, manage risks effectively, comply with regulations, and develop careers in the finance industry.

About Informa Connect Academy

Informa Connect

Academy

Informa Connect Academy is a premier provider of global education and training solutions that caters to a diverse range of professionals, industries, and educational partners. We are dedicated to promoting lifelong learning and are committed to offering learners expert guidance, training, and resources to help them stay competitive in a rapidly changing world.

Our comprehensive range of courses and programmes are tailored to meet the needs of all professionals, from aspiring specialists to seasoned experts. We partner with elite academic organisations and industry leaders with unmatched expertise in their respective fields to deliver an exceptional learning experience.

CPD Certified

IFF is recognised by the CPD Certification Service and have been approved to award CPD points towards professional development certifications.

In-Company Training

IFF's bespoke training solutions will help you address your specific key business challenges. The programme is designed for you, with content focusing on the issues you and your teams are facing. The course can then be delivered at your choice of location face-to-face, digitally or a combination of the two.

- Tailored content - 100% targeted to cover your needs
- No travel or time out of the office – we will come to you
- Value for money – train teams of staff at the same time
- Risk free – we've been doing this for over 30 years
